FEATURES

Insulated Tiffin with 2 locking, air-tight food containers designed to keep your favorite meal warm. Adjustable shoulder strap for easy carrying

Locking Food Containers : BPA free plastic food containers lock on all 4 sides to keep your food secure and prevent leaks - hot or cold items can be stored

Zipper Closure : Tiffin fully closes and zips around the top, so that food is secured while going to office, school or on an outing

High quality Construction : Polyester fabric with thick foam insulation keeps the food warm/cold, so you can enjoy your meal even hours later

Dual usage - Hot & Cold

COLEMAN : FOR THOSE WHO WANT QUALITY PRODUCTS
